	    o Admin DoDAAC(s)
	    o Pay DoDAAC(s)
	    o CAGE Code
	    o DUNS
	• Dates
	    o Signature Date

Search Modifiers	Search Modifiers may be used to limit results returned for a search criterion. • **Starts With**: The data entered in the field will return results that begin with the entered characters. • **Is Null**: The data search will return only results that have no value for the search criterion. • **Not Null**: The data search will return only results with a value for the search criterion. • **Greater Than or Equal To**: The data entered in the field will return results that are greater than or equal to the entered characters. • **Greater Than**: The data entered in the field will return results that are greater than the entered characters. • **Equal To**: The data entered in the field will return results that are equal to the entered characters. • **Less Than or Equal To**: The data entered in the field will return results that are less than or equal to the entered characters. • **Less Than**: The data entered in the field will return results that are less than the entered characters.
DoDAAC Search Fields	To return all awards with a specified DoDAAC(s), enter the desired information in the applicable DoDAAC field. Multiple DoDAACs are permitted. Partial DoDAACs (with a minimum of one character) are also permitted and must begin with the DoDAAC's leading character. These capabilities apply to all location code search fields. **Admin DoDAAC** N62793 ✕ S2401A ✕ H ✕
Sample Search Results	Once the search criteria are entered, selecting the Search button will return a list of Contracts with the requested criteria. **LOA/SFIS Search Results** ⬇ Export Results 🖫 Save Search ⚙ Refine Search 🔍 New Search | Contract Number ↑↓	Delivery Order Number ↑↓	ACO Mod ↑↓	PCO Mod ↑↓	Signature Date ↑↓	Issue By ↑↓	A
