EDA Roles	Roles with the ability to access the Business System Report in EDA <ul style="list-style-type: none">• CBAR ACO• CBAR Contracting Officer• CBAR View Only• CBAR PMO
Search Criteria	On the EDA home page, the user will select Reports from the menu.

In the Reports Menu, the user will select **CBAR Reports**.

In CBAR Reports, select Business System Report

Enter the required information on the **Business System Report Search Criteria** page. Required information is indicated with an (*) asterisk.

Search Criteria fields include:

- Business System *
 - Accounting
 - EV
 - Estimating
 - MMAS
 - Property
 - Purchasing
- Business System Status
 - Approved
 - Disapproved
 - N/A
 - Not Evaluated
- Payment being Withheld?
 - Yes or No
- Next System Review Date From
- Next System Review Date To

The screenshot shows a dialog box titled "Business System Report Search Criteria". It contains several search filters: "Business System *" with a dropdown menu showing "Select multiple..."; "Business System Status" with a dropdown menu showing "Select multiple..."; "Payment Being Withheld?" with a dropdown menu showing "Select..."; "Next System Review Date From" with a dropdown menu showing "Greater than or equal to" and a date input field; and "Next System Review Date To" with a dropdown menu showing "Less than or equal to" and a date input field. At the bottom of the dialog, there are three buttons: "Export" (with a download icon), "Bookmark" (with a bookmark icon), and "Cancel" (with a close icon).

Export

When the search criteria has been entered, click the Export button.

Part: If you don't see all the parts available then it means that the data are still being extracted. This usually happens for a huge amount of data extraction.

Download: Using 'Direct Download' will allow you to download artifacts in parallel and download speed will be significantly faster for large artifacts. Use 'Download via EDA App' option if you run into any firewall issue.
